

Job Reference: 199-A2006-MP-BQ - Fire Safety Advisor/Trainer.

Croydon Health Services is seeking a competent Fire Safety Advisor/Trainer.

The post holder will formulate and implement the Trust's Fire Strategy, policies and legislative requirements through providing robust fire safety management and advice, staff training and the management of fire risk assessments.

The post holder will be a full member of the Institute of Fire Engineers or equivalent with a recognised fire safety qualification and technical fire safety experience at a senior level.

The Salary ranges from £34,811 - £44,508 per annum, including High Cost Area Allowance.

For further information, please contact Mike Ralph, Director of Estates and Facilities on 0208 401 3382 or via e-mail mike.ralph@croydonhealth.nhs.uk.

Please apply via the NHS Jobs website: www.jobs.nhs.uk.

Closing date: 25 November 2011
